➤ Invacare® **Horizon**

The new look of affordable style and performance

The new Invacare® **Horizon** is an excellent featured mobility scooter at an economical price. The many standard features on the **Horizon** have been well thought out and developed for a comfortable and safe driving experience. The stylish car-like front and rear lights not only provide excellent visibility but also add to the elegant design. And the integrated front bumper fit perfectly with the flawless look and modern styling. Designed for easy and intuitive operation, driving feels like a breeze.

The Invacare® **Horizon** is a perfect mix of great performance, excellent reliability, elegant styling and affordable pricing.

➤ Comfort and Easy Transfer

The Horizon comes standard with a very comfortable premium upholstery seat that includes a headrest for added safety. An optimal driving position can be obtained by adjusting the seat height and the seat sliding mechanism gives the driver wider legroom range. The 360° swivel seat and swing up armrests allows for easy transfer in and out of the scooter.

➤ Easy to use controls

Simple to understand controls and display make the Horizon very easy to drive and manoeuvre. The delta tiller offers firm support for either thumb operated or fingered operated driving.

➤ Safe and worry free driving

Front and rear lights and flag are key standard safety features on the Horizon that improves the visibility of the driver. Free three year AA Roadservice Cover and a five-year limited warranty provides the peace of mind of on-going support and service.
